

HALL OF GODS

“Hall of Gods – A Tribute to the Gods of Music” is a conceptual album by Rafael Agostino that merges classical music with metal in a powerful tribute to Mozart, Beethoven, Bach, Grieg, and Carlos Gomes.

Released as a limited-edition vinyl LP, the album features collaborations with prominent figures from the international metal scene, including Zak Stevens, Chris Caffery (Savatage), Ralf Scheepers (Primal Fear), Snowy Shaw (ex-King Diamond, Therion), Ronnie Romero (ex-Rainbow, ex-MSG), Marcelo Pompeu (Korzus), and May Puertas (Torture Squad). Each track is dedicated to a composer and invites the listener into a narrative-driven musical journey that blends virtuosity and power.
